Dear Mr. Silverstein,

This is in response to your March 11, 2015 letter seeking “clarification” of my March 11 notification granting an extension of time to all parties to file Answering Briefs and permitting those briefs to be up to 100 pages in length.

The March 11 notification permits the Respondents to file two separate Answering Briefs, each not to exceed 100 pages, in response to the exceptions filed by the General Counsel and the Charging Party, respectively. Thus, my notification stated:

“This extension of time applies to all parties, and therefore applies to the Answering Briefs to the **Exceptions filed by each** of the parties.” (emphasis added)

Very truly yours,

Henry S. Breiteneicher  
Associate Executive Secretary
